About the event: Online hunt consisting of multiple levels.

Users will be given questions which they have to solve to proceed to further levels. Hints will be provided by the moderators on the online forum.

The hunt will last as long as a winner emerges.

As the hunt will be online all necessary precaution will be taken to secure the event. Online forums will be continuously checked for answer leaks. If any user is found leaking the answers or giving hints online, he/she will be immediately disqualified.

Participants are advised to download the images given in the question for better understanding. Hints will be released through Whatsapp
